Which category under the Monthly Grants Program are you applying for?

☐ Connected & Vibrant Communities

Connected & Vibrant Communities – Eligibility Criteria

To be eligible to apply under the **Connected & Vibrant Communities** category, applicants **must be one of the following**:

- **A not-for-profit community group or organisation** This includes registered charities, incorporated not-for-profit organisations, and unincorporated community groups. Unincorporated groups must have their application **auspiced by an eligible incorporated organisation** through an Auspice Agreement*. *Note: An ABN is not required but strongly encouraged (see [Applying for an ABN | ABR](#)).*

- **A professional artist** Professional artists are the **only individuals** eligible to apply under this category, and their project must directly relate to their **professional arts practice**. Individual artists who are not incorporated must have their application **auspiced by an eligible incorporated organisation**, as above.

Are you a not-for-profit community group/organisation or a professional artist? *

☐ Yes

☐ No

Unincorporated groups and individual artists must be auspiced by an eligible incorporated organisation.

Applicants for Connected & Vibrant Communities funding must be a not-for-profit community group or organisation, or a professional artist. As you have indicated that you do not meet these criteria, unfortunately, you are not eligible to apply under this category on this occasion.

Please review the [Monthly Grants Program Guidelines](#) to determine whether you may be eligible to apply under a different category.

I confirm that my project has not yet commenced and will not commence within eight weeks following the end of this month. *

☐ Yes

☐ No

Unfortunately, as your event has already taken place or is scheduled to commence within eight weeks following the close of this grant round, it is ineligible for funding in this round.

We understand this may be disappointing; however, we require a minimum of eight weeks' notice to ensure funding can be provided in time for your event.

We encourage you to apply in future rounds. If you have any questions, please contact the Grants Team on 1300 368 333.

Is your event on public or private land? *

☐ Public

☐ Private

Note: Permit requirements vary depending on the type of activity and whether it is held on public or private land.

Private land

If your event is being held on **private land**, a **Planning Permit** is likely to be required, and you will be referred to Council's Planning team to check if you can hold the event on the proposed site. We suggest you get advice before you make a grant application by calling the **Planning Duty Officer** on **1300 368 333**.

A Planning Permit can take 6 to 12 months to process, so **choosing a public place for your event might be a better option**. There are many well-equipped public spaces and community halls across Yarra Ranges that make excellent event locations.

To find a suitable venue or park/open space, please refer to our website:

- [Parks & Recreation Yarra Ranges Council](#)
- [Community Halls & Venues for Hire - Yarra Ranges Council](#)

If you decide to apply for a Planning Permit, please allow enough time to work through this before applying for a grant.

Click [here](#) to find out more

Do you, or the venue you are using, have all required permits and approvals in place for your project or event? Note: Planning permits may be held by either the event organiser or the property owner. *

☐ Yes

☐ No

Note: Permit requirements vary depending on the type of activity and whether it is held on public or private land.

Application Ineligible

Without the required permits, this application is ineligible. If you decide to apply for a Planning Permit (this can take 6-12 months), please allow enough time to work through this before applying for a grant.

Click [here](#) to find out more or call a Planning Duty Officer on 1300 368 333.

Public Land

Please refer to the [Planning a Festival or Event](#) page on Council's website to establish if you need to [register your event](#). You'll also find the [Event Quick Guide](#), packed with helpful information to support your event planning.

If you need to [register your event](#) this must be done **at least 12 weeks prior** to the event date.

If your event is on public land, you may need a **PoPE (Place of Public Entertainment) Permit**. When you register your event, we'll let you know if this is required.
